## BOOK TIANA FOR CONFERENCES, WORKSHOPS, PANEL DISCUSSIONS & SEMINARS

Tiana Von Johnson is a self-made millionaire mogul, multi-business entrepreneur, publisher, author, highly sought-after branding coach and a woman who at 27-years-old quit her 9-to-5 job and tried her hand at entrepreneurship. She became the highest paid, African-American real estate broker on Wall Street in New York City during one of the worst economic times in history. Using the skills she developed in Corporate America, good judgement and sound intuition, she mastered the art of branding and business and generated over \$1 million in her first year in business. Her companies became a huge success and her television series, Powerhouse, was picked up by NBC. Following that she received countless television and media features.

Today, Tiana is living the life she loves. Using her extraordinary gifts, she has developed a significant following among entrepreneurs around the world who seek her wisdom, advice and coaching. Teaching from the heart and armed with a tremendous amount of life and business lessons, she has a knack for touching lives and helping people grow their businesses and brands. As a motivational speaker, she shares her story of faith, sacrifice and determination in the most real and charismatic way, inspiring audiences across the globe. Tiana is a true entrepreneur in every sense of the word.

Tiana's annual Women Doing It Big (WDIB) Conference educates, empowers and encourages women (and men) around the world to build their businesses, communities and families through entrepreneurship. Her recently launched WDIB Magazine features entrepreneurial women in business, film & television, fashion & beauty and beyond and can be found on newsstands and in Barnes & Noble and Books-A-Million bookstores nationwide.

Tiana has a Bachelor's in Business Administration, a Master's in Business Administration, both from Metropolitan College of New York. She studied for her Ph.D. in Business Administration & Organizational Leadership from the University of Phoenix and received two Honorary Doctor of Philosophy degrees for her over 15 years of philanthropic initiatives, business and leadership.
